FREE UPGRADE

Recording is On the House with Pelco IP

Free Upgrade to Professional Software-Only Recording

Pelco IP customers can now save more than \$500 with the limited time DS NVs upgrade promotion. For a limited time Pelco IP camera customers can receive a free upgrade from DS4U, the four-channel recording software that comes with every camera, to the powerful and flexible 64-channel DS NVs software. Build a complete Pelco IP video security system for only the cost of the cameras and discounted Pelco IP licensing fees.

This offer ends September 30, 2010. Do not miss out on your chance to receive up to 64-channels of powerful software-only recording for free. Call your Pelco Representative with promotion code # DS4U012010 today!

Upgrade to Free 64-Channel DS
NVs Software-Only Recording
at www.pelco.com and contact
your Pelco Sales Representative
for your license key.

Upgrade with DS NVs Software-Only Recording

For customers who are looking for a software-only solution, DS NVs is the ultimate choice. Digital Sentry video security software provides an IT-focused solution that allows users to manage video for multiple locations from a single client workstation. This software-only management solution can support up to 64 video channels. It is HD-enabled and capable of recording and displaying exceptional high-quality video captured by Pelco IP cameras, including those with Sarix technology.

While DS NVs also had the ability to record third-party IP cameras, this special promotion is only available for systems comprised exclusively of Pelco IP cameras, including:

- Sarix IX Series Fixed Network Cameras
- Sarix ID Series Indoor Network Fixed Dome Cameras
- Sarix IM Series Indoor Network Fixed Mini-Dome Cameras
- Spectra IV IP Positioning Systems
- Spectra Mini IP Positioning Systems
- Camclosure IP Integrated Camera Systems
- IP3701 Network Cameras
